

Croeso

Year 1/2 staff are looking forward to welcoming your child into their new class. As of yet, we are still unsure how our school will operate, however, here is some general information that we hope you will find useful.

Start of Day Arrangements

School starts at 8:50am and all pupils are expected to arrive on time to avoid a late mark on the register. If your child is late for registration they must report to the main school office before going to their classroom so that their attendance can be recorded. Year 1/2 pupils who do not go to breakfast club, must wait on the junior yard, accompanied by an adult, until the main doors of the School Hall open at 8.50am. Doors will be closed at 9.00am. Prompt.

End of Day Arrangements

All pupils will be dismissed through their classroom fire exit door. In Year 1/2 pupils must be collected by a responsible adult who is named on the 'Collection from School' form. Please inform the class teacher, in writing, of any changes to the collection of your child at the end of the school day e.g. play dates, birthday parties etc.

Meetings with Teachers

If you have an issue that needs to be discussed with the class teacher, please make an appointment. Minor issues e.g. doctors appointments; feeling unwell etc, can be dealt with in the main school office where any messages will be passed on to the teacher.

HWB

All pupils have a Login & a password to access the HWB. It is important that you help your child to learn their Login & password as they will complete both home and school work using the learning platform as an effective tool.

Year 1/2

Homework

* Numeracy/Literacy homework will be sent out on a Friday and pupils will be expected to return it by the following Monday.

* Spellings/Times tables will be sent home every Friday to learn in preparation for a test on the following Friday.

Reading

All pupils will be given a home/school reading book which will be changed regularly. It is essential that pupils bring their books to school on their **set day**. It is important that the children experience a broad range of text and should be encouraged to read other books in addition to their school reading books. All pupils will have access to the school library.

What your child will need

Pencils, coloured pencils, rulers and rubbers to be kept at home for homework activities. (Pupils do NOT need a pencil case in school)
