

Croeso

Year 3/4 staff are looking forward to welcoming your child into their new year group. As of yet we are still unsure how school will operate and look in September but if we return, here is some general information that

Start of Day Arrangements

School starts at 8:50am and all pupils are expected to arrive on time to avoid a late mark on the register. If your child is late for registration they must report to the main school office before going to their classroom so that their attendance can be recorded. Year 3/4 pupils who do not go to breakfast club, must wait on the junior yard, accompanied by an adult, until the main doors in Top Bay open at 8.50am. Doors will be closed promptly at 9.00am.

End of Day Arrangements

All pupils will be dismissed through their classroom fire exit door. In Year 3/4 we encourage pupils to leave the classroom independently and meet their parent/guardian at a specific meeting point within the school grounds that has been discussed and agreed between parent and child beforehand. If the person picking up your child is not at the agreed meeting point, pupils must return to their classroom where their teacher will assist. Year 3/4 pupils are not allowed to walk home on their own.

Meetings with Teachers

If you have an issue that needs to be discussed with the class teacher, please make an appointment. Minor issues e.g. doctors appointments; feeling unwell etc, can be dealt with in the main school office where any messages will be passed on to the teacher.

HWB

All pupils have a Login & a password to access the HWB. It is important that you help your child to learn their Login & password as they will complete both home and school work using the learning platform as an effective tool.
